

Office Relocation

We are pleased to inform you that our company has been relocated to a new office on 17th May 2010 successfully. All the guests attended the Opening Ceremony were impressed not only by the newly designed and decorated office, but also appreciated with the high efficient and effective teamwork performed by every colleague in Sun-Tech as it only took one day to complete all the relocation works and follow up.

XCLASS EVO Launching

To echo the continuous demand on ICT education development, Sun-Tech keeps on moving towards to strive for the up-to-date solution; from the first Generation of XCLASS introduced in 1998 to the latest version - **XCLASS EVO**, we focus on seeking improvement and innovation no matter it's at high tides or low tides. Today, the launch of XCLASS EVO proves that all the effort made is worthwhile as it really gives the Evolutionary breakthrough with **Fresh and User Friendly Interface, New Features such as New Quiz Module & Multi-Tasking**. XCLASS EVO certainly offers you a High Quality Classroom Management Performance as well as Speedy Interactive Communication in Teaching and Learning. For further details on XCLASS EVOLUTION, please feel free to contact us directly.
